SHOW RULES

Riders are required to read these conditions carefully.

During all horse competitions, in all classes, riders must wear AS/NZS 3838 Standard safety helmets. Presentation of both horse and rider must be to the standard of show competition, however ring event riders may compete in non-english attire.

Test patterns will be made available on the Show website. www.blackalshow.com.au

Riders may have callers, where applicable. All competitors, including those in led classes and assisting young riders, must sign a waiver form at the Secretary Office prior to competitions.

All horse owners bringing animals to the showgrounds, including companion horses who may not be entered in competitions, must present a livestock movement form to the Secretary Office.

Ponies, Galloways, and Hacks may be measured at any time, or current EFA Height Certificates viewed, to ensure exhibits are competing in the correct class. Breed or Association Certificates may be viewed at any time, to ensure exhibits are competing in the correct class. Stallions may only be entered after the expressed approval of the Steward.

One Horse - One Rider: rule applies across all classes unless otherwise approved by the Steward. "Local/Regional" - rider must reside in the Blackall-Tambo Council region. "District" - rider must reside within the Blackall, Tambo, Alpha, Longreach, Winton, Ilfracombe, Barcaldine, or Isisford regions.

"Pleasure" - exhibits must be ridden in a plain snaffle No drug, hormone, or tranquilizer shall be administered to any animal exhibit, except under the direction of a veterinarian who must advise the Steward if in their opinion such treatment is likely to have any effect upon the animal which would be material to its chances of being awarded a prize, in such case the Steward may exclude that animal from competition. The Steward may, at any time, request a blood, saliva or urine sample from exhibit for testing.

Presentations for each section will occur after all classes have been judged. Regardless of placings, all competitors must attend presentations as a show of sportsmanship for fellow riders, stewards and judges.

Professional photographers may be present during competitions, with approval from the Steward.

PAVILION RULES

Exhibit entry times are set out at the head of each class. All exhibit entries must be presented to the Stewards at the Cultural Pavilion before the closing times, to ensure a fair and timely competition. Please do not leave/send entries without notifying the Steward or Show Secretary, or without a label.

This is a local show, hence all exhibits are to be the work of residents of the Blackall-Tambo Shire, excluding those sections allowing entries to any exhibitor (e.g. Photography).

Entries cannot be submitted for, nor compete in, two or more classes. Please choose the appropriate class for your entry. The Head Steward reserves the right to reallocate an entry to another class should be entry require it.

No entries can be accepted which have been exhibited at previous Shows even if the exhibit did not win the class it was entered in at the previous Show.

Aggregate prizes will be awarded to the exhibitor with the highest total first place wins for those sections, classes or groups eligible for that prize.

Please remember that all judges are volunteers, however they have been selected for their knowledge of each section and requirements of the exhibitors entries. The judge's decision will be final.

It is the responsibility of the exhibitor to collect their cash prize by attending the Show, either during the Saturday presentations or before 5:00pm Saturday at the Secretary Office. Any prize money not collected by that time will be donated back to the Barcoo Pastoral Society for next year's competition.

Exhibits are to remain in the Pavilion until after 5:30pm on Saturday to allow for all visitors to enjoy your creativity and work.

PAVILION EXHIBIT ENTRY LABELS

All pavilion entries must be presented to the Stewards at the Cultural Pavilion before the closing times with a label.

Labels should be placed on the back or underside of an entry, so that judging is anonymous.

Labels ensure that your entry is correctly included in the competition in the correct class, and can be returned to the right person.

Please use this example for your entry.
